

### Are YOU Run-down, Weak?

Birmingham, Ala.—"Dr. Pierce's Golden Medical Discovery" is the best tonic and builder I have ever known. I was in a run-down and weak condition when I started to take the 'Discovery', and that first bottle so strengthened me that I kept on with it until I had taken three bottles, and then my health was absolutely perfect. I never hesitate a moment in recommending Dr. Pierce's Golden Medical Discovery as the very best of tonics."—MRS. ANNIE DIAL, No. 2609 Tompkins Avenue, North. All druggists.

### TEACHERS JANUARY SALARIES IN CASH.

The January installment of approximately \$615,000, due teachers of the State, was paid in cash by State Auditor J. J. Craig, who has sufficient money on hand to meet the February installment, which will be the last installment due. At the beginning of business January 1, there was \$1,860,765.51 in the school fund. Since that time approximately \$615,000 has been paid out and when the February installment is paid State Auditor Craig figures that he will have something like \$500,000 on hand to call in interest-bearing school warrants. He believes it is better to pay the installments due the teachers now and call in the warrants later, as many teachers experience trouble in disposing of warrants.

At the Butcher's.  
My little nephew was sent to the butcher shop for some meat, writes a correspondent, but as the butcher did not have the meat he went for he returned home without any, whereupon his mother asked why he did not bring the meat. In reply he said: "Well, mother, they didn't have just what you wanted, but they have the cutest little brown doggie hanging up."

### Just History

In '76  
The Colonial Dame  
Spun her cloth  
By Candle flame.

In 1860  
In Crinoline bright,  
She greeted her guests  
By Coal Oil light.

And later on,  
How time does pass  
Her home was lit  
By flickering Gas.

But the girl of to-day  
Who wants her home bright,
